Absolutely. Jane beat me to the punch, but I was going to nominate it since Rosemont has already had an audience with the AA recently, and the AO maybe a year or so ago. I can't remember if it was with Bob P. or Bob S... But regardless, it's definitely a paper we want for this visit.

FYI -- I will work from Carter and Elizabeth's most recent briefing paper (with update re: FS going to final), and provide this to Teddy as Jane is requesting. -JB

In addition to the paper Tim wrote for Bay Delta, I would like to have papers for Rosemont and DW ULOs.
